CONDUCT AGREEMENT

R & R Pediatrics staff responsibility is to provide a safe environment for you and your children. We will treat all the children and families with courtesy, respect and care that we use to treat our own children and families.

In return, we ask that you extend the same courtesy to everyone at R & R Pediatrics, staff and patients alike. Violent behavior, abusive language, cursing and threats are taken very seriously here.

Should you or members of your family behave in such a way that is thought to be violent, abusive or threatening, R & R Pediatrics will not provide medical care for you or your children.

Should you as a patient or a family member witness violent or threatening behavior by staff or a patient, please bring it to the immediate attention of one of the doctor or manager.

We thank you for your understanding and cooperation.
